# About Us

---

## Social Engagement

Milkbox promotes B2B communication by connecting companies through a linked network of media properties. Develop your company's web presence by forging bonds with other corporations to promote and distribute your unique services, whether you're offering users free trials and value-added media, or advertising your services via affiliate sites.

## What our clients are saying

Lisa Monak

**Affiliate Manager**

*Milkbox gives my clients a secure avenue to acquire content for their sites. It works really well and makes my job a whole lot less stressful, which is always a good thing.*

---

## VISION

At Milkbox, we'll stop at nothing to provide the best corporate media sharing service. Safe, secure and user-friendly, Milkbox has developed a distribution platform that's so flexible you won't want to use anything else.

## SYNERGY

Feedback is essential and we take your business very seriously. Milkbox is constantly developing new products and upgrading our services to provide companies worldwide with a cutting edge media distribution portal.
